

SUMMER NEEDS

It is important that children attending our Summer Camp Program must have the following items in their cubbies for the start of the Program. Failure to have the proper clothing will mean your child may miss out on some Summer Fun

- Sun Hat
- Sun Screen – We recommend at least 60 SFP in a spray for easy application
- Water shoes or Sandals – Absolutely NO FLIP FLOPS
- Runners
- 2 Swimming Towels
- Bathing suit – We recommend 2 pc for girls for easier bathroom visits
- Swim T-Shirt – Prevents Sunburn
- Sweatshirt
- A light jacket or rain jacket
- If a child is in “Pull-Ups” they must have “Swimmers”
- A child’s knapsack which can hold all their belongings
- A small ice pack for bag lunches
- 2 Water bottles – must be something a child can open – Bottles with spouts are better than ones with tops. Water bottles must be taken home daily; washed out and brought back. We will have the second one on hand if you forget.

- Complete change of clothes
 - Pants
 - T-Shirt
 - Shorts
 - Socks
 - Underwear

Make sure everything is labelled with your child’s name
